I have read and accept the Master Rental Agreement (MRA) and the enclosed rental conditions for the United Kingdom, Italy, Spain, France, Germany, the Netherlands, Belgium and Switzerland ("the local Rental Conditions"). I accept that this Agreement is subject to the local requirements and the local Rental Conditions of the country where the vehicle is collected by me, and I submit to the jurisdiction of that country. I further understand that a refuelling service charge applies if I return the vehicle with less fuel in it than when I received it at the beginning of the rental; that only I, and additional Authorised Drivers, may drive the vehicle; that rates are subject to change if the vehicle is not returned to the location/date/time stated at the time of reservation of the vehicle. I understand and agree that the local Rental Conditions may be amended from time to time and that I can change my insurance options on the completion of an MRA Change form. In case of conflict between the Master Rental Agreement and the local Rental Conditions, the latter will prevail.
